Independent Auditor's Report

We have audited the Allen County Sheriff's Settlement - 1999 Taxes as of April 22, 2000. This tax settlement is the responsibility of the Allen County Sheriff. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with generally accepted <u>Government Auditing Standards</u> and the <u>Audit Guide for Sheriff's Tax Settlements</u> issued by the Auditor of Public Accounts, Commonwealth of Kentucky. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Sheriff prepares his financial statement on a prescribed basis of accounting that demonstrates compliance with the cash basis and laws of Kentucky, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the Allen County Sheriff's taxes charged, credited, and paid as of April 22, 2000, in conformity with the basis of accounting described in the preceding paragraph.

Based on the results of our audit, we present the accompanying comment and recommendation, included herein, which discusses the following area of noncompliance.

• The Sheriff Should Require Depository Institutions To Pledge Or Provide Additional Collateral Of \$346,952 To Protect Deposits

To the People of Kentucky
Honorable Paul E. Patton, Governor
John P. McCarty, Secretary
Finance and Administration Cabinet
Mike Haydon, Secretary, Revenue Cabinet
Honorable Johnny Hobdy, Allen County Judge/Executive
Honorable Bill Foster, Allen County Sheriff
Members of the Allen County Fiscal Court

In accordance with <u>Government Auditing Standards</u>, we have also issued a report dated September 26, 2000, on our consideration of the Sheriff's compliance with certain laws and regulations and internal control over financial reporting.

Respectfully submitted,

Edward B. Hatchett, Jr. Auditor of Public Accounts

ALLEN COUNTY NOTES TO FINANCIAL STATEMENT

April 22, 2000

Note 1. Summary of Significant Accounting Policies

A. Fund Accounting

The Sheriff's office tax collection duties are limited to acting as an agent for assessed property owners and taxing districts. A fund is used to account for the collection and distribution of taxes. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

B. Basis of Accounting

The financial statement has been prepared on a cash basis of accounting. Basis of accounting refers to when charges, credits, and taxes paid are reported in the settlement statement. It relates to the timing of measurements regardless of the measurement focus.

Charges are sources of revenue which are recognized in the tax period in which they become available and measurable. Credits are reductions of revenue which are recognized when there is proper authorization. Taxes paid are uses of revenue which are recognized when distributions are made to the taxing districts and others.

C. Cash and Investments

At the direction of the fiscal court, KRS 66.480 authorizes the Sheriff's office to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

Note 2. Deposits

The Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC). According to KRS 66.480(1)(d) and KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the Sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution. The Sheriff entered into a written agreement with the depository institution and met requirements (a), (b), and (c) stated above. These pledges include derivatives. However, as of December 10, 1999, the collateral and FDIC insurance together did not equal or exceed the amount on deposit, leaving \$346,952 of public funds uninsured and unsecured.

ALLEN COUNTY NOTES TO FINANCIAL STATEMENT April 22, 2000 (Continued)

Note 2. Deposits (Continued)

The county official's deposits are categorized below to give an indication of the level of risk assumed by the county official as of December 10, 1999.

	Bank Balance
Collateralized with securities held by pledging depository institution in the county official's name	\$ 2,515,000
Uncollateralized and uninsured	346,952
Total	\$ 2,861,952

Note 3. Property Taxes

The real and personal property tax assessments were levied as of January 1, 1999. Property taxes were billed to finance governmental services for the year ended June 30, 2000. Liens are effective when the tax bills become delinquent. The collection period for these assessments was October 29, 1999 through April 22, 2000.

Note 4. Interest Income

The Allen County Sheriff earned \$5,222 as interest income on 1999 taxes. The Sheriff distributed \$1,728 to the school district and currently owes the school district an additional \$880 as required by statute. The Sheriff is also due \$668 from the 2000 fee account. The remainder will be used to operate the Sheriff's office.

Note 5. Unrefundable Duplicate Payments And Unexplained Receipts Should Be Escrowed

The Sheriff should deposit any unrefundable duplicate payments and unexplained receipts in an interest-bearing account. According to KRS 393.110, the Sheriff should properly report annually to the Treasury Department any unclaimed moneys. After seven years, if the funds have not been claimed, the funds should be submitted to the Kentucky State Treasurer. For the 1999 taxes, the Sheriff had \$1,560 in unrefundable duplicate payments and unexplained receipts. Therefore, the Sheriff should send a written report to the Treasury Department and remit \$1,560 to be escrowed.

COMMENT AND RECOMMENDATION

ALLEN COUNTY BILL FOSTER, SHERIFF COMMENT AND RECOMMENDATION

April 22, 2000

The Sheriff Should Have Required Depository Institutions To Pledge Or Provide Additional Collateral Of \$346,952 To Protect Deposits

On December 10, 1999, \$346,952 of the Sheriff's deposits of public funds in depository institutions were uninsured and unsecured. According to KRS 66.480(1)(d) and KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with Federal Deposit Insurance Corporation insurance, equals or exceeds the amount of public funds on deposit at all times. We recommend that the Sheriff require the depository institution to pledge or provide collateral in an amount sufficient to secure deposits of public funds at all times.

Sheriff's Response:

At the time the bank was contacted about the securities it was unable to determine the amount that was going to be collected. Securities for 2000 collections will be increased.

County Judge/Executive's Response:

We will up pledge of securities at bank.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF THE FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Edward B. Hatchett, Jr. Auditor of Public Accounts

Honorable Johnny Hobdy, Allen County Judge/Executive Honorable Bill Foster, Allen County Sheriff Members of the Allen County Fiscal Court

Report On Compliance And On Internal Control
Over Financial Reporting Based On An Audit Of The Financial
Statement Performed In Accordance With Government Auditing Standards

We have audited the Allen County Sheriff's Settlement – 1999 Taxes as of April 22, 2000, and have issued our report thereon dated September 26, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in <u>Government Auditing Standards</u> issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Allen County Sheriff's Settlement – 1999 Taxes as of April 22, 2000 is free of material misstatement, we performed tests of its compliance with certain provisions of laws and regulations, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under <u>Government Auditing Standards</u>.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Allen County Sheriff's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statement being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be a material weakness.
